AI Content, Educational Use, Intellectual Property and Liability Disclaimer

Effective date: 29 March 2026

Business / Platform name	eMasterHUB
Website / Platform	https://emasterhub.com.au/

1. General Information

The courses, lessons, module headings, learning materials, summaries, quizzes, graphics, illustrations and other content made available through this platform are provided for general educational and informational purposes only.

While we aim to provide useful, accurate and well-structured learning content, we do not guarantee that all information is complete, current, error-free, suitable for every learner, or fit for any particular purpose.

This disclaimer should be read together with our [Terms of Use] and [Privacy Policy], which also govern your use of this platform. In the event of any inconsistency between this disclaimer and the Terms of Use, the Terms of Use will prevail to the extent of the inconsistency.

2. AI-Generated and AI-Assisted Content Disclosure

Some content made available on this platform, including but not limited to course outlines, headings, lesson text, images, graphics, examples, summaries, and learning aids, may be created or assisted by artificial intelligence tools.

All AI-assisted content is subject to human review and editorial oversight before publication. It may be edited, reviewed, adapted, combined with human input, or reformatted prior to publication. Because AI tools generate content based on patterns and existing information, some outputs may resemble other publicly available materials, topics, structures, headings, or educational formats.

We do not represent that AI-generated or AI-assisted content is unique in every respect, nor do we guarantee that similar wording, structure, themes, titles, or concepts will not appear elsewhere.

Where content has been created or substantially adapted through human editorial input, curation, or creative direction - including where AI tools have been used as part of that process - we assert copyright ownership in the resulting compiled and edited works under the Copyright Act 1968 (Cth). We note that purely AI-generated outputs that have not been subject to meaningful human creative input may not attract copyright protection under current Australian law. Accordingly, our ownership claims extend to works in which human authorship and editorial direction form a genuine and material part of the creative process.

3. Educational Purpose Only

All courses and content on this platform are intended for educational, training and informational use only.

They are not intended to constitute:

- medical advice
- health advice
- psychological advice
- counselling advice
- legal advice
- financial advice
- professional diagnosis
- treatment recommendations
- NDIS planning advice or support coordination services
- disability support planning advice
- regulated professional services of any kind

You should seek advice from a suitably qualified professional before relying on any information for personal, medical, legal, financial, clinical, or business decisions.

4. No Medical or Disability Support Advice

Any health, wellbeing, medical, mental health, nutrition, fitness, disability, support, therapeutic, or care-related content is provided as general educational information only.

It is not medical advice, is not a diagnosis, and is not a substitute for assessment, treatment, care planning, or advice from a doctor, nurse, allied health practitioner, psychologist, psychiatrist, pharmacist, or other appropriately qualified health professional.

This includes any content relating to NDIS plans, support coordination, disability assessments, or funded support services, which does not constitute NDIS planning advice or support coordination services.

If you have a medical concern, symptoms, or health emergency, seek advice from an appropriately qualified healthcare professional or emergency service immediately.

5. Intellectual Property Rights

All original content on this platform, including course structures, lesson text, graphics, illustrations, and compiled materials, is owned by or licensed to [Business Name] and is protected under the Copyright Act 1968 (Cth) to the extent that such content reflects human authorship and creative direction. You must not reproduce, distribute, adapt, or commercialise any platform content without our prior written consent.

We respect the intellectual property rights of others and expect users, contributors, contractors and partners to do the same.

To the best of our knowledge, our content is created using original drafting, licensed tools, internal editing processes, and/or AI-assisted workflows. However, due to the nature of education, common industry language, subject-based terminology, and AI-generated drafting tools, certain course structures, headings, concepts, formats, styles, or generic descriptions may be similar to content created by others.

Any such similarity, where it occurs, may be incidental, functional, topic-driven, or generated from common educational conventions, and is not intended to suggest affiliation, copying, endorsement, sponsorship, or ownership by any third party.

If you believe any content on this platform infringes your intellectual property rights, please refer to the Reporting Concerns process in Section 11 of this disclaimer.

6. No Affiliation or Endorsement

Unless expressly stated, this platform and its courses are not affiliated with, endorsed by, sponsored by, or associated with any other course provider, training business, educator, institution, competitor, organisation, brand, or trade mark owner.

Any references to third-party topics, tools, standards, industries, or concepts are used descriptively and for educational purposes only.

7. Limitation Regarding Similarity Claims

The existence of similar course titles, headings, module names, learning outcomes, visual styles, design approaches, examples, or educational concepts does not by itself establish copying, infringement, affiliation, or wrongdoing.

Where concerns are raised in good faith regarding allegedly similar content, we reserve the right to review the material, investigate the concern, and where appropriate edit, remove, replace, or clarify the relevant content. We aim to acknowledge genuine concerns within 5 business days of receipt and to complete our review within 30 business days, where practicable.

Nothing in this disclaimer constitutes an admission of infringement, copying, liability, or legal responsibility.

8. User Responsibility

By using this platform, you acknowledge and agree that:

- you use the content at your own discretion and risk
- you are responsible for how you interpret and apply any educational material
- you will obtain independent professional advice where required
- you will not treat any course content as a substitute for regulated professional advice or services
- you will not record, download, reproduce, or redistribute course content, lessons, or materials beyond your personal educational use, whether by screen recording, download tool, screenshot, or any other means
- you will not upload, submit, or share content that infringes the intellectual property rights of any third party

9. Limitation of Liability

To the maximum extent permitted by law, [Business Name], its directors, staff, contractors, content creators, technology providers and affiliates exclude liability for any loss, damage, cost, claim or expense arising from or connected with:

- use of or reliance on course content
- AI-generated inaccuracies, omissions, or similarities
- educational, professional, commercial, or personal decisions made based on the content

- interruption, delay, or unavailability of the platform
- any indirect, incidental, special, or consequential loss, to the extent permitted by law
- the content, accuracy, availability, or conduct of any third-party websites, tools, platforms, or services linked to or embedded within this platform

We are not responsible for the content or practices of any third-party websites, tools, or platforms accessible from or embedded within this platform. Accessing third-party content is at your own risk and subject to the terms and conditions of the relevant third party.

Where our liability cannot be excluded under applicable law, including under the Australian Consumer Law, our liability is limited to the maximum extent permitted by law, including (where applicable) to resupplying the relevant educational content or service, or paying the cost of having it resupplied.

Nothing in this disclaimer excludes, restricts or modifies any rights or remedies that cannot lawfully be excluded under applicable law, including rights under the Australian Consumer Law.

10. Privacy and Data Collection

This platform may collect personal information in connection with your enrolment, use of learning materials, and platform activity.

Where the platform uses automated tools to personalise learning pathways, generate recommendations, or assess learner progress, this may involve the processing of your personal information by automated systems. This may include:

- enrolment and profile data used to tailor course recommendations
- quiz responses, assessment results, and time-on-task data used to track progress
- platform activity data used to personalise your learning experience

We do not use automated systems to make decisions that have a legal or similarly significant effect on you without human oversight. If you have questions about how automated tools are used in relation to your personal information, or if you wish to request human review of any automated assessment or recommendation, you may contact us at the details provided in Section 11.

For full details of how we collect, use, store, and disclose your personal information - including your rights under the Privacy Act 1988 (Cth) and the Australian Privacy Principles - please refer to our [Privacy Policy], available at [Insert URL].

11. Reporting Concerns

If you believe any content on this platform infringes your intellectual property rights or creates misleading confusion with your brand, please contact us at:

Email: admin@emasterhub.com.au

Address / Business details-2/290 Boundary Street, Spring Hill, QLD 4000

Please include sufficient detail to identify the material in question and the basis of your concern. We will acknowledge receipt of genuine notices within 5 business days and will review them in good faith. We will not take adverse action against any person raising a concern in good faith.

12. Governing Law

This disclaimer is governed by the laws of Queensland, Australia. Any disputes arising in connection with this disclaimer are subject to the non-exclusive jurisdiction of the courts of Queensland.

13. Changes to This Notice

We may update this disclaimer or related platform terms from time to time by publishing a revised version on our website or platform. For material changes, we will endeavour to provide reasonable advance notice by email or platform notification.

Continued use of the platform after an update constitutes acceptance of the revised wording.
